Flood, catch basin & water main records at 48th St & 37th Ave Queens
on 7/15/18 - 7/19/16

Description:

Work was being done at the corner of 37th Avenue and 48th Street in Queens on July 19th pertaining to flood events that occurred between the 15th and 18th of July 2018. Looking for information on the job that took place on July 19, 2018 at that corner and any related records.

Please provide records for all complaints, work orders, jobs info and completion info of work that took place to catch basings on 48th Street and 37th Avenue since July 15th.

When was the work order placed? What was being worked on? Why was the request made to for work on those catch basins/sewer/water main.
